Small Fire Blanket

Details

Size: 1 x 1M **Pricing Unit:** unit/1 **Carton QTY:** 25

Fire Blankets are ideal for settings where small Class F fires are a risk such as in kitchens or wherever oils or fats are exposed to potential ignition. They can also be used if a person's clothing has caught fire.

A Fire Blanket cuts off a fire's supply of oxygen, smothering it either permanently or until more effective fire-fighting equipment can be employed.
