Rid Tropical Strength Antiseptic Insect Repellent Pump Spray 100ml

- [General Information](#)
- [Warnings](#)
- [Ingredients](#)
- [Directions](#)

RID's highly effective Tropical Antiseptic Bite Protection not only repels disease-carrying mosquitoes for 8 hours, but also provides comprehensive protection against their bites, enhancing your overall safety.

RID's highly effective Tropical Antiseptic Bite Protection not only repels disease-carrying mosquitoes but also provides comprehensive protection against their bites, enhancing your overall safety.

Over 40% of Aussies use mosquito bites as a cue to apply repellent. Unlike conventional repellents, RID antiseptic bite protection shields against new bites in addition to easing skin irritations and helping prevent infections from previous bites.

8 HOURS

Our superior formula provides longer-lasting protection using less DEET than other brands.

REPELS & PROTECTS

Experience the perfect blend of protection and care with RID's Antiseptic Bite Protection. It repels insects to prevent bites and helps disinfect prior bites, reducing the risk of infection.

AUSTRALIAN MADE

Proudly Aussie made since 1956. Purchasing Australian-made and owned products supports the local economy, sustains jobs, and promotes quality and sustainability.

Size: 100mL
