The genuine non-rechargeable lithium battery for the ZOLL AED Pro - fit and forget, long standby life.

Details

The genuine ZOLL non-rechargeable lithium battery for the AED Pro suits sites that prefer a long-standby disposable over a recharge cycle. Fit it, note the install date, and replace at end of life.

Best for: AED Pro sites that prefer a disposable battery to a rechargeable program.

Includes one non-rechargeable lithium battery. Compatible with the ZOLL AED Pro.
