- Good hand hygiene is one of the best ways to help avoid the spread of germs. This simple habit requires only soap and water or an antibacterial hand sanitiser like Aqium.
 - Aqium is a quick and convenient way to sanitise your hands on the go.
 - Aqium kills 99.99% of germs fast.
 - Aqium is non sticky and air dries quickly so you don't need to wash, rinse or dry your hands.
 - Aqium contains moisturisers to leave your hands soft, refreshed, and hygienically clean.
 - Aqium is Australian owned and made.
 - Aqium is a hospital strength formulation.
 - Make Aqium part of your daily hand hygiene routine.

Why is Aqium so effective in killing germs?

Alcohol is an effective germ killing agent that has been used for centuries. And best of all, alcohol works fast at killing germs!

Aqium contains 70% alcohol which is an effective level of alcohol, proven to kill nasty germs and keep you and your family protected.
