Details

- General Purpose Spill Kit in a 20L Yellow PVC Bag.

Each Spill Kit contains the premium SpillSmart range of bioactive absorbents, giving a rapid and effective clean up of oil and hydrocarbon spills and other non-aggressive liquids.

The SpillSmart 20L General Purpose spill kit combines premium floor sweeps, socks and pads and is designed for use in trucks, vehicles, forklifts and service stations. The convenience of storing these products in a heavy duty PVC bag, ensures that all products are readily available, should a spill occur.

This light weight and easy to store kit provides products that are suitable for absorbing both water-based non-hazardous liquids, such as paints and coolants, as well as hydrocarbons, including oils, fuels and grease.
