Details

Sqwincher is an electrolyte replacement drink scientifically formulated to safely replace mineral salts, replenish fluids and sugars at optimal absorption rates, which are depleted as a result of dehydration or through physical exertion. It prevents or reduces the severity of heat stress disorders and provides a supplemental source of energy plus quenches thirst.

The great taste and performance of Sqwincher, available in a tasty frozen treat. Reduce core body temperature with Sqwincher's scientifically developed formulation that is absorbed into the body at a significantly faster rate than water, allowing the body to replenish the electrolytes and minerals needed for proper rehydration.

- Easy to eat freezer pops that keep you cool to the core even in the hottest weather
- All the benefits of a Sqwincher drink in a handy freezer pop
- Ideal for kids, youth and adults
- Great for sporting and industrial use
- Mixed flavours
- Pack of 150
