Details

Contents:

- 1 x [Workplace First Aid KIT](#)
- 1 x [Compliant Vehicle Sticker \(Green\)](#)
- 1 x 500ml Saline

The perfect safety package for removalists, long-haul freight or any kind of heavy vehicle, the Survival Heavy Vehicle First Aid KIT Bundle contains all the components to enable you to be first aid compliant, and help you be better prepared for any emergency on the road.

Leading first aid design and layout

Designed in Australia by leading first aid experts, the colour-coded labelling system for all SURVIVAL First Aid KITS enables you to clearly identify first aid contents and explains the typical use for each item. This makes it quicker and easier to respond to any emergency situation.

Easy refill and restock

The numbered labelling system in the KITS tells you how many of each item you should have – alerting you to replacement requirements and making it clear when you need to refill and restock.

Quality first aid product

Coated in 600D Oxford polyester, the First Aid KITS are durable and water resistant. Made with strong zippers and featuring double stitched handles, the outer KITS can be wiped down with disinfectant liquid.

In addition to the extensive selection of first aid items, each KIT contains CPR instructions to support your first aid training in the case of an emergency.

Be prepared for any emergency

From everyday incidents to extreme situations, the Heavy Vehicle Bundle is heavy duty when it comes to on-road safety.
