A silky smooth, lightweight formulation with enhanced PCa+ helps improve elasticity and visibly reduce fine lines, dark circles and puffiness.

### Details

QV Face Revitalising Eye Cream, with Enhanced PCa+ visibly minimises dark circles and puffiness. Safflower Oil helps replenish the natural moisture level of the skin to improve elasticity and reduce the appearance of fine lines and wrinkles. The result is smoother skin that is visibly more radiant and refreshed.

### Benefits:

- Visibly reduces puffiness, dark circles and fine lines.
- Effectively hydrates for visibly increased elasticity.
- Silky smooth, lightweight cream.
- Suitable for dry, sensitive or normal skin.
- Dermatologically tested and ophthalmologically approved.
- Helps reduce further moisture loss during the night.
- Low irritant formulation, free from fragrance, colour, lanolin and propylene glycol.

- Vegan Friendly - contains no animal derived ingredients.

## Directions:

Use daily, in the morning and evening after washing your face with warm water. Apply a thin layer of eye cream around the eye area and gently massage until absorbed.

## Caution:

For external use only. If irritation occurs, wash affected area and discontinue use. Store below 30°C.
