AEROAID Antiseptic Sachet 1g

Details

Size: 1g **Pricing Unit:** sachet/1 **Carton QTY:** 1000 AeroAid Antiseptic sachets are for the relief of minor cuts & abrasions, minor burns, sunburn, insect bites, stings & itches. Contains: Melaleuca Oil 47.5 mg/g, Phenoxyethanol & hydroxybenzoates

Directions for use:

- Apply to the affected areas 3 to 4 times daily.
- For the initial treatment of minor burns apply cold water and apply cream later.
- Do not use on burns where skin is broken or blistered.
- For serious burns seek medical advice. If skin irritation occurs or if condition persists, discontinue use immediately and consult a doctor.

- Avoid contact with eyes and mouth.
- Do not ingest.
- Store below 30C.

If symptoms persist consult your Healthcare Practitioner.
