Wound Dressing #13 Small

### Details

**Size:** 8 x 10cm **Pricing Unit:** bag/12 **Carton QTY:** 48 The AeroWound Wound Dressings are a general purpose wound dressing for use in preventing infection and controlling bleeding. Available in sizes to suit wounds from finger injuries to large wounds.

### Highly Absorbent

- Highly absorbent wound pad controls bleeding and absorbs wound exudates

### Low adherent

- Special low adherent coating minimizes wound trauma associated with changing dressings

### Individually packed and sterile

- Dressings are available individually on demand in an easy tear wrapper and sterile for wound cleanliness.

### Ease of application

- The wound pad is attached to a wrapping leader of gauze bandage making the dressing simple to apply, yet comfortable and secure for all general wound dressing.
