Directions:

Apply to the skin in generous amounts over all of the exposed areas 20 minutes before sun exposure, it should be reapplied every two hours or more often when sweating, and should be reapplied after swimming or toweling. NOT TO BE USED FOR ANY OTHER PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

Cautions:

For external use only. If swallowed, seek medical advice. Do not apply to eyes, mouth or broken skin. Avoid contact with food and food utensils, with spectacle frames, soft plastics or synthetic fibres, timber fittings and furniture. Avoid prolonged exposure to the sun. Wear protective clothing, hats and eye-wear when exposed to the sun. Limit use if pregnant. For sensitive skins, test product for any skin irritation on a small area of skin first. If skin irritation and rash develops, discontinue use and seek medical advice.

DEET WARNING: May be dangerous, particularly to children, if used in large amounts on the skin, clothes, or bedding, or on large areas of the body, especially if you keep using it for a long time.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126, New Zealand 0800 764 766. *Expiry dates will vary.

Storage and Disposal:

KEEP OUT OF REACH FROM CHILDREN. Keep in an upright position, in a cool dry place. Store below 30°C in closed original container. Dispose of bottle by putting in garbage.
