Help protect your skin with this lightweight, non-greasy broad spectrum sunscreen. Great for everyday use, SunSense Comfort SPF 50+ has a dry touch finish and contains moisturising Vitamin B3 (Nicotinamide). Australian made and owned, this product has been dermatologically tested on sensitive skin.

Not water resistant. Always read the label and follow the directions for use. Avoid prolonged sun exposure and wear protective clothing, hats and eyewear to further reduce risk. Frequent re-application is required.

Details

Directions

Shake well. Use at least 30mL per adult application. Apply to clean, dry skin at least 20 minutes prior to sun exposure. Re apply every two hours and after swimming, sweating, exercising and towelling dry.

Benefits

- For everyday use

- SPF 50+ protection
- UVA & UVB broad spectrum protection
- Lightweight feel
- Dry touch finish
- Dermatologically tested
- Non comedogenic
- Australian made & owned

Cautions

Avoid eyes. Not to be used on broken skin. If irritation occurs, wash affected area and discontinue use. Avoid prolonged sun exposure and wear protective clothing, hats and eyewear to further reduce risk. Use sunscreen generously and reapply frequently.
