### Details

### Description

The POW.R TENS/EMS Combo Unit provides drug-free pain relief technology.

- 9 preset TENS programs
- 8 preset EMS programs
- 5 preset massage programs

### Indications for use

#### TENS mode

It is used for temporary relief of pain associated with sore and aching muscles in the neck, shoulder, back, joint, hip, hand, abdomen, foot, upper extremities (arm) and lower extremities (leg) due to strain from exercise or normal household work activities.

#### EMS mode

The EMS Stimulation program stimulates healthy muscles in order to improve and facilitate muscle performance.

## Massage mode

The massage stimulation program provides relaxing muscle vibration to loosen tight muscles.
