Details

Each Spill Kit contains the premium SpillSmart range of bioactive absorbents, giving a rapid and effective clean up of oil and hydrocarbon spills and other non-aggressive liquids.

The SpillSmart 120L General Purpose wheelie bin spill kit combines premium floor sweeps and socks with pads and pillows to ensure spills in large workshops, mines and manufacturing plants can be efficiently handled. The convenience of storing these products in a robust wheelie bin ensures that all products are readily available, should a spill occur. This kit provides that are suitable for absorbing both water-based non-hazardous liquids, such as paints and coolants, as well as hydrocarbons, including oils, fuels and grease.
