Make workplace health and safety the most important item on your agenda with the most comprehensive worksite safety solution available – the SURVIVAL Workplace Safety PLUS Bundle.

Combining the leading [Workplace First Aid KIT](#) with top-quality Personal Protective Equipment (PPE) contained in the [SURVIVAL Safety Centre](#) and you've covered all bases.

In addition, the Plastic Wall Bracket allows you to ensure your kit stays in a prominent and accessible area in your workplace and the award-winning [First Aid Emergency Handbook](#) offers advice, guidance and support on how to effectively respond to emergency situations at work.

Leading first aid design and layout

Designed in Australia by leading first aid experts, the colour-coded labelling system in the Workplace First Aid KIT enables

you to clearly identify first aid contents and explains the typical use for each item. This makes it quicker and easier to respond to any emergency situation.

Easy refill and restock

The numbered labelling system tells you how many of each item you should have – alerting you to replacement requirements and making it clear when you need to refill and [restock](#).

Quality first aid product

Coated in 600D Oxford polyester, the First Aid KITS are durable and water resistant. Made with strong zippers and with double stitched handles, the outer KITS can be wiped down with disinfectant liquid.

The new and improved design for the SURVIVAL Workplace First Aid KIT features the sophisticated MOLLE system for tailored attachment, new shoulder straps and redesigned zips that are sturdier than ever before, with an extra layer of material on the outside that protects both zips and the KIT's contents from the elements.

World-leading PPE including UVEX Pheos Safety Glasses, UVEX P2 Face Masks and earbuds offer complete a complete on-the-job first aid solution.

Personalise first aid in your workplace

Tick off every item on your workplace first aid kit checklist, with the [SURVIVAL Workplace First Aid Kit](#). Containing all the components you need to be workplace compliant, this kit will have you covered for any workplace emergency.

Utilise the personal space section in your [Workplace First Aid KIT](#) to include specific items or additional first aid contents suitable for the needs of your workplace.

The new-look KIT is also now bigger than ever, with an increased depth and an extra full mesh panel, as well as two new, deep pockets for increased storage of personal first aid items.
