Azclear Action Medicated Lotion is an oil-free, invisible, antibacterial lotion for the treatment of blackheads, pimples, acne and papulopustular rosacea.

Details

Azclear Action Medicated Lotion is an oil-free, invisible, antibacterial lotion for the treatment of blackheads, pimples, acne

and papulopustular rosacea.

Benefits

- Helps clear acne-affected skin.
- Dual-action formula works by fighting bacteria and unblocking the oil ducts, which acts to reduce redness and dry up pimples.
- Antibacterial agent helps fight bacteria.

Directions

1. Use morning and night
2. Before use cleanse hands and affected skin.
3. Apply a small amount of Azclear Action Medicated lotion directly onto the affected skin.

Love it? Try combining with other products in the Azclear Action range to help care for your acne-prone skin.

Cautions

For external use only. Avoid contact with eyes. Keep out of reach of children. Initial mild irritation may occur. If severe irritation occurs discontinue use.

Always read the label. Follow the directions for use. If symptoms persist, worsen or change unexpectedly, talk to your health professional.

Tips

Apply to affected areas before bed, or under your sunscreen during the day.

Give the lotion time to sink in before applying other products directly on top to avoid pilling.

Ingredients

ACTIVE:

Azelaic Acid 20% w/w

PRESERVATIVE:

Phenoxyethanol 1% w/w
