Moov Head Lice Solution is a simple process that breaks the cycle of the head lice. In just three simple applications, each seven days apart, the formulation kills both the head lice and their eggs, breaking the life cycle.

Details

In just three simple applications, each seven days apart, MOOV Head Lice Solution kills both the head lice and their eggs, breaking the life cycle. Recommended for use on normal scalps. The combination of natural essential oils interfere with the biochemical mechanisms of the head louse, causing death by poisoning.

Benefits:

- Uses a powerful blend of essential oils rather than synthetic insecticides
- Pleasant-smelling and easy to use
- Comes with re-useable shower cap

Directions:

1. Use on dry hair. Be sure to cover eyes. Divide hair into segments. Apply product behind the ears and neck first. The apply to remaining hair and scalp. Apply sufficient product to ensure hair and scalp are thoroughly wet.
2. Place shower cap on head, ensuring all hair, including the ears and the nape of the neck are covered by the cap. Leave on hair for 10 minutes. Remove cap, shampoo and condition hair as normal.
3. Rinse cap well after use with soap and warm water. Dry thoroughly. The cap can be re-used.

4. Repeat these steps seven and fourteen days after initial treatment. This is important to effectively break the head lice life cycle.

Caution:

Avoid contact with eyes. If contact occurs, flush immediately with clean water." Always read the label. Use only as directed. If symptoms persist please see your healthcare professional. Warning: Consult your healthcare professional before use on infants under 6 months. For external use only.Keep out of reach of children
