Top 5 Reasons to Commit to HALYARD* N95 Respirators

HALYARD* FLUIDSHIELD* N95 Particulate Filter and Surgical Masks

1. 100% of HALYARD* FLUIDSHIELD* N95 Respirators have been cleared by the FDA as a medical device—unlike many N95s or KN95s that have received a temporary Emergency Use Authorization.
2. All HALYARD* N95s are Made in the Americas, unlike suppliers who rely on supply from Asia.
3. All HALYARD* FLUIDSHIELD* Level 3 Respirators deliver Level 3 splash and spray protection — the highest-recognized level of protection.
4. Our duckbill breathing chamber is more than twice as large as the leading competitive surgical N95, and exceeds NIOSH standards for breathability.

5. A balance of proper fit and comfort is critical for health care workers. Only
6. HALYARD* N95s include all of these features:
 1. Two sizes—small and regular
 2. Malleable, adjustable nose wires
 3. Strong elastic straps that are securely bonded—not stapled—to the mask

Details
