Details

Disprin Direct don't need to be taken with water so they can be taken anywhere. They are absorbed quickly to bring rapid, effective, temporary relief from pain associated with:

- Headaches & migraines
- Rheumatic & arthritic pain
- Neuralgia (nerve pain)
- Toothaches
- Cold & Flu symptoms
- Sore throats
- Period pain
- Fibrositis
- Relieves inflammation associated with back and muscular pain, and strains and sprains
- Reduces fever

Warnings:

- Do not give to children under 12 years of age except on doctor's advice.
- Consult a doctor before giving this medication to children or teenagers with chicken pox, influenza or fever.
- Preparations containing aspirin should not be taken by people allergic to aspirin, or who are taking anti-coagulant therapy.
- People who suffer from asthma or stomach ulcer and pregnant women should consult a doctor before taking this preparation.

Ingredients

- Aspirin 300 mg

Important

You must not rely on the information on this site as an alternative to medical advice from your medical physician or other qualified healthcare provider. Consult your healthcare provider immediately if you think that you may have a medical emergency or for the diagnosis and treatment of injuries. Always seek the advice of your physician or other qualified healthcare provider before starting any new treatment or with any questions that you may have regarding a medical condition or injury.
