Details

- Jobst Travel Socks are high-quality knee length socks, specifically designed to counteract swelling and discomfort during prolonged inactive periods of travel. The clinically proven gradient compression helps improve blood circulation in the legs, which assists in preventing swelling and aching in the legs, ankles and feet.

Features and Benefits:

- Clinically proven gradient compression
- Helps protect legs from swelling and discomfort thanks to gradient compression (15-20mmHg)
- Promotes venous blood flow in your legs
- Soft cotton blend
- Excellent breathability, leaving legs feeling fresh and comfortable
- Durable with a reinforced toe and heel
- Stylish dress sock appearance
- Ideal for men and women
- Ribbed pattern complements both business and casual attire
- Available in two fashionable colours - Beige and Black
