Details

Nyal Cold Sore cream provides soothing relief from the pain and itching associated with cold sores. It also acts as a protective barrier helping to prevent cracking and drying so as to help healing. Early application will, in most cases, help in the prevention and development of cold sores.

Ingredients (Each gram contains):

- Menthol 5mg
- Camphor 15mg

Important

You must not rely on the information on this site as an alternative to medical advice from your medical physician or other qualified healthcare provider. Consult your healthcare provider immediately if you think that you may have a medical emergency or for the diagnosis and treatment of injuries. Always seek the advice of your physician or other qualified healthcare provider before starting any new treatment or with any questions that you may have regarding a medical condition or injury.
