Soothe & moisturise dry, inflamed skin while soaking in the bath

Details

Pinetarsol Bath Oil gently cleanses while replenishing moisture to dry, itchy and inflamed skin. This non-greasy, mild formulation is ideal for treating large areas of the body while bathing.

Benefits:

- Helps to relieve severe itching and reduce inflammation.
- Relieves the symptoms of dermatitis, eczema, psoriasis and other dry, itchy, flaky or inflamed skin conditions.
- Helps lock in moisture.
- Gently cleanses without irritating inflamed skin.
- Suitable for dry skin, and suitable for infants, the elderly and those with sensitive skin.

Directions:

Shake bottle before use

Bath: Add 15-30mL to a warm to tepid bath (5mL to baby's bath or hand basin). Bathe for 5-10 minutes once daily, more

often in severe cases. Pat skin dry.

Shower: Apply directly to wet skin, leave a few minutes, briefly rinse. Pat skin dry.

Tip: It's important to use soap free cleansers if you are suffering from an itchy, red or inflamed skin condition.

Ingredients:

Active (w/w):

Tar (Pine Tar) 2.3%
