Soap-free and pH-balanced wash with added Vitamin B3 to support the skin barrier.

Details

QV Baby Gentle Wash is formulated to gently cleanse delicate and sensitive skin. The soap-free formulation is pH-balanced and contains Vitamin B3 to help support a healthy skin barrier and natural protective properties. Suitable for use with eczema-prone skin, dermatitis and psoriasis.

Benefits:

- Paediatrician recommended.
- Formulated with Vitamin B3 to help support a healthy skin barrier and natural protective properties.
- Soap-free, so it doesn't strip away natural oils like soap can.
- pH balanced, low-irritant formulation, free from colour, fragrance, propylene glycol, and lanolin.
- Suitable for use every day and with conditions such as baby eczema, dermatitis and psoriasis.
- Suitable for sensitive skin, dry scalp and cradle cap.

Directions:

Apply desired amount of QV Baby Gentle Wash to wet skin and lightly massage. Wash, rinse and gently pat skin dry.

Cautions:

Avoid eyes. If lather enters eyes, flush immediately with clean water. If eye irritation persists, seek prompt medical advice
