MODULATOR Red Burns Module 20 x 10 x 6cm

Details

The Modulator Burns Module is a visual and clearly labelled soft pack that can be ordered individually as a replacement module for The Modulator Softpack or The Modulator Metal Cabinet editions.

This module can also be used in addition to any core workplace kit for compliance where a high risk of burns injury has been identified or as a single standing burn kit.

Ensures hasslefree servicing and easy re-stocking with individual replacement modules. **Contents meet Australian Standard AS2675-1983**
