RID®'s high performing Repellent + Antiseptic acts to both repel and prevent inflammation giving you longer lasting protection against mosquitoes that may carry Ross River Virus and Dengue.

Details

RID®'s high performing Repellent + Antiseptic acts to both repel and prevent inflammation giving you longer lasting protection against mosquitoes that may carry Ross River Virus and Dengue.

Benefits:

- Contains 19.5% DEET at safe levels to effectively repel for 6 hours.
- Formulated with Antiseptic to reduce inflammation and assists to prevent infection caused by insect bites.
- Designed to be applied as a FIRST AID as a BEFORE and AFTER bite medication. + Repels against mosquitoes that may carry Ross River Virus and Dengue.*
- Approved by the Australian Government Authority, Australian Pet & Veterinary Medicine Association (APVMA).
- Combined with a fly repellent effective against flies, gnats, tsetse flies, ants and lice.
- Verified by Independent Laboratory test*.
- PETA-friendly, NOT tested on animals medication.
- 5 Year Shelf Life*
- Aerosol is CFC Free

Directions:

Roll-on: To repel insect pests, apply RID® to all exposed skin. Reapply at regular intervals. Do not apply near eyes or mouth. Do not apply to lips, broken skin or babies hands.

Aerosol: Hold can upright and spray all exposed skin in a sweeping motion from a distance of 15-20cm. Do not spray towards eyes or mouth. To apply to face, spray on hands and rub on. Do not apply to eyes, mouth or babies hands.

Cautions:

For external use only. If rash or irritation occurs, discontinue use. If swallowed, seek medical advice. Do not apply to eyes, mouth or babies hands. Avoid contact with food and food utensils. Avoid contact with spectacle frames, soft plastics or synthetic fibres, timber fittings and furniture.

DEET WARNING: May be dangerous, particularly to children, if used in large amounts on the skin, clothes, or bedding, or on large areas of the body, especially if you keep using it for a long time.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126, New Zealand 0800 764 766. *Expiry dates will vary. STORAGE & DISPOSAL

General Safety:

- Do not allow children under 10 years of age to apply repellent themselves.
- Do not apply to young children's hands or around eyes and mouth.
- Do not breathe in, swallow, or get into the eyes. + Do not put repellent on wounds or broken skin.
- For sensitive skins, test product for any skin irritation on a small area of skin first. If irritation and rash develops, discontinue use and seek medical advice.

Storage and Disposal:

Roll-on: KEEP OUT OF REACH OF CHILDREN. Keep in an upright position, in a cool dry place. Store in closed original container. Dispose of bottle by putting in garbage

Aerosol: KEEP OUT OF REACH OF CHILDREN. PRESSURISED DISPENSER. Keep in an upright position, in a cool place out of the sun.. Dispose of can by putting in garbage or leaving it at an appropriate metal recycling point.

PROTECT FROM SUNLIGHT AND DO NOT EXPOSE TO TEMPERATURES EXCEEDING 50OC. DO NOT PUNCTURE OR INCINERATE CAN EVEN WHEN EMPTY. EXTREMELY FLAMMABLE. DO NOT SPRAY ON NAKED FLAME OR ANY OTHER INCANDESCENT MATERIAL. KEEP AWAY FROM SOURCES OF IGNITION – NO SMOKING.

AEROSOL PROPELLANT: Hydrocarbon.
