Details

Active Seal Pediatric Arm Cast Bandage Protector can be used for swimming, water sports, whirlpools, hot tubs, showering or bathing to protect casts and bandages.

- It is a safe, economical protector for casts and bandages during recreational water activities or daily showering and bathing
- Easy application eliminates the need for pumps, hook & loop closures and adhesive tapes that may irritate skin
- Made of TPE (a high performance thermoplastic elastomer that stretches easily)
- Maintains a waterproof seal
- Reusable and folds compactly
- With normal care, lasts for three to four weeks of daily usage. (May be affected by chemicals and heat)
- Length 48cm
