Details

Alco Wipes are a very handy to keep around in emergency aid kits, travel boxes and just about everywhere else!

The wipes are saturated with 70% isopropyl alcohol which is a sterilizer that will kill bacteria. They are an easy alternative to other instant sanitizers.

Important

You must not rely on the information on this site as an alternative to medical advice from your medical physician or other qualified healthcare provider. Consult your healthcare provider immediately if you think that you may have a medical emergency or for the diagnosis and treatment of injuries. Always seek the advice of your physician or other qualified healthcare provider before starting any new treatment or with any questions that you may have regarding a medical condition or injury.
