Details

- The barrier cream protects the skin against the penetration of dirt, detergents and chemicals and helps retain moisture in the skin to prevent dryness, keeping hands soft and supple.

Uses:

- Before gardening
- Automotive repairs
- Painting

This will help to protect and make cleaning of hands easier.

Active ingredients:

- 5% silicone in emollient cream base

Quantity: 1L bottle

Important

You must not rely on the information on this site as an alternative to medical advice from your medical physician or other qualified healthcare provider. Consult your healthcare provider immediately if you think that you may have a medical emergency or for the diagnosis and treatment of injuries. Always seek the advice of your physician or other qualified healthcare provider before starting any new treatment or with any questions that you may have regarding a medical condition or injury.
