## Details

### Non-CFC Spray Dressing

OpSite Spray is a transparent and quick drying film which is easy and convenient to apply. The film helps to provide protection for dry minor surgical and surface wounds.

#### Features:

- This product contains no Chlorofluorocarbon (CFC) propellants

#### Benefits:

##### Permeable to moisture vapour and air

- OpSite Spray is permeable to moisture vapour and air, allowing the surrounding skin to breathe, so preventing maceration

##### Water resistant

- The skin area can be bathed easily without affecting the dressing or the wound

##### Conformable and elastic

- The film stays intact over skin areas that are flexible or mobile such as knuckles

### Quick and Easy to Apply
