Details

Remove wipes contain a gentle solvent used for the removal of adhesive dressings, tapes and residue from the skin without irritation or trauma. They are formulated to moisturise and condition tender or damaged skin, and are easy to apply.

Features and Benefits:

- Remove is easy on patients
- Gently cleans hydrocolloid, acrylic and rubber-based adhesive residues from the skin without irritation, discomfort or trauma
- Helps maintain proper skin integrity whilst removing adhesive products and residues by reducing adhesive trauma
- Aloe-formulated to moisturize and condition tender or friable skin
- Non-irritating and non-sensitising - even for ostomates and geriatric patients
- Remove is easy on the environment
- Contains no CFC's
- Pleasantly scented
- Remove is easy on nurses
- Simple to apply first time, every time
- Cost effective and convenient - easy-to-carry, single-use wipes contain just the right amount of adhesive remover, so there's no mess and no waste

Quantity: 50
