MOOV Head Lice Sensitive is free from common irritants and is designed for sensitive scalps*. The product coats the entire surface of a head louse causing death by suffocation.

Details

MOOV Head Lice Sensitive is free from common irritants and is designed for sensitive scalps*. The product coats the entire surface of a head louse causing death by suffocation.

Directions:

1. Use on dry hair. Be sure to cover eyes. Divide hair into segments. Apply product behind the ears and to the nape of the neck first. Then apply to remaining hair and scalp. Apply sufficient product to ensure hair and scalp are thoroughly wet.
2. Place shower cap on the head, ensuring all hair including the ears and the nape of the neck are covered by the cap. Leave on hair for 20 minutes.
3. Remove shower cap, rinse hair and shampoo thoroughly. Rinse shower cap for reuse.
4. Repeat these steps, at 7 and 14 days after initial treatment. This is important to effectively break the head lice life cycle.

Caution:

Avoid contact with eyes. If contact occurs, flush immediately with clean water.

Free from fragrance, colour & alcohol.

Always read the label. Use only as directed. If symptoms persist please see your healthcare professional.

Keep out of reach of children

Ingredients:

Paraffinum Liquidum, Mineral Oil (and) Ethylene/Propylene /Styrene Copolymer (and) Butylene/Ethylene/Styrene Copolymer, Isopropyl Myristate, Laureth-3, Carthamus Tinctorius (Safflower) Seed Oil.
