A luxurious, non-greasy hand cream with SPF 15 that nourishes your hands while protecting them from the sun.

Details

QV Hand Cream with SPF 15 is scientifically formulated to be highly moisturising with a non-greasy finish. The fast-absorbing cream nourishes hands while protecting from the visible signs of aging, like sun spots, pigmentation and wrinkles.

Benefits:

- SPF 15 broad spectrum protection, making it ideal for use while driving, gardening or spending time outdoors
- Fast absorbing, non-greasy formula, leaving hands feeling soft and smooth
- Free from fragrance, colour, lanolin and propylene glycol. Suitable for sensitive skin.
- pH balanced to help maintain the skin's natural protective properties

- Dermatologically tested
- Vegan Friendly - contains no animal derived ingredients.

Directions:

Gently massage a layer of QV Hand Cream SPF 15 onto the hands. Work from the fingertips to wrists, including the nails and cuticles, paying special attention to the back of the hands, to help keep skin and nails well-conditioned. Reapply the product after washing your hands.

Cautions:

Avoid eyes.
