A soap free body wash formulated with 10% Glycerin to gently cleanse sensitive skin without stripping natural oils.

Details

QV Wash is an effective, soap-free wash scientifically formulated for dry or sensitive skin. The lightly foaming cleanser containing 10% Glycerin gently cleanses, without compromising the skin's pH.

Benefits:

- Recommended for cleansing dry skin.
- Maintains skin's natural protective properties.
- Won't strip away natural oils like soap can.
- pH balanced, low-irritant formulation, free from fragrance, colour, lanolin and propylene glycol.
- Body Wash is suitable for sensitive skin types, including infants and the elderly.

- Suitable for sun-damaged skin and conditions such as dermatitis, eczema and psoriasis.
- Vegan Friendly - contains no animal derived ingredients.

Directions:

Use body wash daily in the shower or bath. Apply desired amount of QV Wash to wet skin and lightly massage. Rinse and gently pat skin dry.

Cautions:

Avoid eyes. For external use only. If lather enters eyes, rinse with clean water. If irritation occurs, discontinue use. Store below 30°C.

Ingredients:

Aqua (water), sodium lauryl sulfate, glycerin, lauryl betaine, disodium cocoamphodiacetate, sodium cocoyl isethionate, peg-120 methyl glucose dioleate, glycol stearate, methylparaben, citric acid, propylparaben.
