Compliance with workplace first aid regulations is achieved across all Australian states and territories with this broad kit range. Workplace injuries in higher risk areas can be treated effectively with the quality selection of First Aid supplies, complemented by a variety of outer cases to suit any scenario. Our metal cabinets can be wall mounted and key-lockable for security. For demanding environments, equip yourself with one of the robust plastic cases which are strong yet lightweight, optimising their portability. **Contents meet Australian Standard AS2675-1983**  This kit is available in 5 case options: a Robust rugged plastic case, Versatile Softpack reinforced fabric bag, a Weather resistant plastic case and a Neat plastic case - all our cases and bags are available with custom labelling.

This First Aid Kit comes fully stocked and as part of our **Instant Restock™** system you can refill and service your client's kits quickly with refill pouches designed to fit into each case type. They provide quick access to all product through a unique centre slit pocket without the need of unpacking each individual product.
