Details

Case: Plastic

Size: 31 x 43 x 15cm

Pricing Unit: unit/1

This kit range comprehensively meets the standard workplace regulations across all states and territories, ensuring maximum duty of care to all workers. Instant response to all nature of injuries is aided by the range of cases available, which are designed to store and present the substantial quantity of product in the most efficient and accessible way. The durable grab-and-go softpack features an additional shoulder strap for portability, while the metal and plastic cabinets are able to be securely wall-mounted. Contents meet Australian Standard AS2675-1983  This kit is available in 3 case options: a Tough metal cabinet, a Rugged plastic case and a Versatile Softpack reinforced fabric bag - all our cases, cabinets and bags are available with custom labelling. For more information on cases and labelling, see our Case Options. This First Aid Kit comes fully stocked (see list below) and as part of our Instant Restock™ system you can refill and service your clients kits quickly with refill pouches designed to fit into each case type. They provide quick access to all product through a unique centre slit pocket without the need of unpacking each individual product.
