A portable and lightweight mesh lumbar support that can help your posture and improve the comfort of your chair.

Details

Description

Very few of us have excellent posture. As a result, we often find ourselves uncomfortable in chairs that we spend enormous amounts of time. One solution can be adding a mesh lumbar support, which promotes a more sustainable sitting position that keeps you **comfortable for longer**.

- Perfect for the office, trains, planes and buses
- Promotes a more comfortable and sustainable sitting position
- Ergonomically designed for excellent back support and improved posture
- Constructed from comfortable and durable mesh for excellent airflow
- Lightweight and portable
- Tension straps for durable support
- Universal fit, elastic bands are designed to fit most seats
- Size: 37cm H x 43cm W x 11cm D
