Details

The Abbott Freestyle Optium Neo Meter Kit is designed for easy and stress-free testing. Intuitive setup and simple icon-driven menus minimize the hassle from blood glucose monitoring. In addition, the Abbott Freestyle Optium Neo Meter Kit is the only leading system in the market with the technology to test blood glucose and ketone in the same meter and test strips.

Features:

- Accurate blood glucose & blood ketone testing 1,2
- Trend indicators highlight when your blood glucose patterns need attention

- Insulin logging helps you track your insulin doses
- Clear, sharp screen is icon driven & easy to read¹ even in direct sunlight
- No chip or coding required
- Fast 5 second test time
- Small blood sample required 0.6 µl
- Individually foil-wrapped strips protect from air & moisture, are convenient to store & carry
- Meets current ISO 15197:2013 system accuracy standard
- FreeStyle Auto-Assist Neo compatible - download up to 1000 events & print or email reports

Accessories:

- Easy Touch Lancing Device
- Thin Lancets
- Carrying Case
- User's Manual
- Logbook
