Details

Speakman Wall mounted aerated Eye Wash Unit with hand push flag is a round bowl eyewash station providing the highest level of performance. The eyewash station features a dual aerated spray head with automatic flow controls and flip top dust covers. The aerated water flow allows soft flowing water to provide a wider coverage, cleaning full facial areas. It is also equipped with a stay open ball valve activated by a paddle handle allowing hands free operation once the eyewash has been activated.

Features:

- Wall mounted
- Stainless steel round bowl
- Paddle handle operation with stay open ball valves
- Aerated spray outlets with flip top dust covers
- Meets ANSI Z358.1
