Details

Studies have shown that Castor Oil is a very strong laxative, which makes it very effective against constipation. Simply take a teaspoon of castor oil in the morning.

Do not take it continuously for more than 3 days. If symptoms persist for longer than 3 days, consult a physician immediately.

Important

You must not rely on the information on this site as an alternative to medical advice from your medical physician or other qualified healthcare provider. Consult your healthcare provider immediately if you think that you may have a medical emergency or for the diagnosis and treatment of injuries. Always seek the advice of your physician or other qualified healthcare provider before starting any new treatment or with any questions that you may have regarding a medical condition or injury.
